

FOR IMMEDIATE RELEASE

Teelie Turner releases an amazingly beautiful and creative Christmas tale.

The Fairy Merry Christmas is a must read for all ages

Leap into the magic of Christmas with 'The Fairy Merry Christmas'. From the first page to the last, this endearing story will have you hooked. The text from the book jacket reads: *It's time for a magical fairy adventure at The North Pole where a fairy named Fairy Merry shows us how fairies help Santa Claus. They have a special kind of fairy dust called shimmer. Fairy Merry will also tell us about how she helped a fairy named Dougie who hated Christmas. He had been assigned to work at the North Pole...which enjoyed Christmas all year long.*

You will want to read 'The Fairy Merry Christmas' to learn more. We don't want to spoil the magic that is inside this charming book by giving away too many of its secrets. However, we can tell you that the illustrations in this book are detailed and breathtaking.

Teelie Turner's goal in recording the many events in her magical world of fairies is to use them as an easy-to-accept tool for teaching life lessons. Adults enjoy reading the stories and enjoy sharing them with their children. The author takes her appreciation of fairies a step further with her hobby, creating miniature fairy gardens. She began her fairy garden work in 2014 and offers details in a website, <https://www.teeliesfairygarden.com/>

Teelie Turner lives in the Pacific Northwest. When she is not busy reporting the adventures of the magical fairies, she enjoys real-world gardening, interior decorating, tennis, boating, and spending time with her husband and her dog. She is also involved with philanthropic activities benefiting the community where she lives. She has business experience in publishing, merchandising and electronic commerce.
